

# Microsoft Learning Pack

Build skills for **SUCCESS** with Microsoft Self-Paced Learning for Microsoft Security

## About Microsoft Security Learning Pack (Self-Paced)

Amidst the pandemic, many Cloud based business models, data driven services, ERP and CRM systems backed by AI and business analytics have thrived globally and helped sustain organizations.

GTech - A Microsoft Gold Partner, in this ongoing technological revolution, is strongly holding onto its commitment to empowering professionals. We are launching the Microsoft Security Learning Pack (Self-Paced), that offers our Highly-demanded courses on Microsoft Security concepts such as Azure AD, Information Protection, Azure Sentinals, Identity Security and more...

## Courses under this Pack:

- SC-920 : Microsoft Security Fundamentals
- SC-200 : Microsoft Security Operations Analyst
- SC-300: Microsoft Identity & Access Administrator
- AZ-500 : Azure Security Technologies

## Benefits you get:

- Get access to all courses at **\$399.99 per month** (per user subscription)
- Gain essential skills on the most desirable technologies and job roles
- Learn from subject matter experts: Microsoft Certified Trainers
- Authorized Courses and Microsoft Official Courseware from Microsoft Learn
- Get access to Official recourses and Exam-prep guide

## What our clients say:

Instructor explained every topic in detail and was consistent enough to allow us asking any questions about the same.

Very good instructor, provided the indepth about services

The instructor was very knowledgeable, and demonstrated a lot of out of the topic demos
